Mr. E. J. O'Malley
Assistant Director, Intelligence Division
Federal Bureau of Investigation
Washington, D.C. 20535

Dear Mr. O'Malley:

The DCI's Foreign Language Training Committee (FLTC) is presently investigating the possibilities for advanced, intensive, foreign language training for members of the Intelligence Community at several academic institutions, among them, Middlebury College in Vermont. [redacted] STAT
 the FBI's Foreign Language Coordinator and your representative to the FLTC, has informed the Committee of the excellent results of the training which Middlebury has provided members of your organization and of the willingness of Middlebury to consider possible modification and expansion of some of its foreign language courses to meet the specific needs of government agencies. STAT
 At my request, [redacted] STAT has arranged for me and one or two members of the FLTC to visit Middlebury on 5 and 6 August. I should be most grateful if you would permit [redacted] STAT to accompany us, for his knowledge of the Middlebury training programs and his personal acquaintance with Mr. Edward Knox, Director of the Sunderland Language Center, (with whom we shall be meeting) will be of great assistance to me.

I should like to take this opportunity to express my thanks for the excellent contribution which [redacted] STAT both as FBI representative and as Chairman of our Subcommittee on Requirements, has made to the work of the FLTC.

Sincerely,
